**REQUEST FOR RECONSIDERATION OF DECISION
ON REQUEST FOR CERTIFICATE OF CORRECTION**

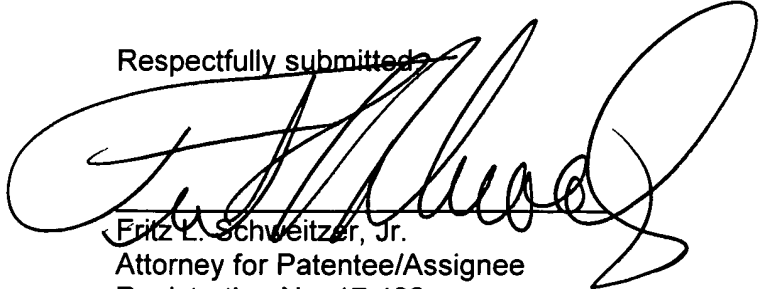

Dear Sir:

In the above matter, the attached letter was received denying applicant's request for certificate of correction with respect to an incorrect spelling of the name of inventor Kenneth M. Kane (spelled in the patent as "Kenneth M. Kan"). The denial was based upon an indication that the name was misspelled in the original Declaration. This does not, however, agree with the applicant's record of the file.

We are enclosing herewith a photocopy of the executed Declaration and Power of Attorney as filed in the U.S. PTO. This photocopy, at the top of page 3, clearly spells out "Kenneth M. Kane" in dark bold letters. Since this is a photocopy of the original, it is not clear how the original could differ. Perhaps a scanning process performed at the PTO resulted in omission of the letter "e". We feel confident, however, that the original papers, as filed, contained a proper

spelling and thus we request that the Office reconsider its refusal to issue a certificate of correction.

Respectfully submitted,

Re: Request for Certificate of Correction

1700-0038

Consideration has been given your request for the issuance of a certificate of correction for the above-identified patent under the provisions of Rules 1.322 and 1.323.

A petition under C.F.R. 1.182 is required to correct errors in spelling or order of inventors names or addresses, since inventor's names or addresses are printed solely in accordance with the type-written names and address and in the order of the type-written names and address on the Declaration, and since the error was the result of applicant's failure to comply with the requirement that the complete and correct names and addresses in correct order be indicated on the Declaration of Oath, no correction is in order here under the provisions of Rules 1.323, unless a petition is granted.

In view of the foregoing, your request is hereby denied.

However, a petition under 37 CFR 1.182 should be directed to the attention of the Assistant Commissioner for Patents using the following mailing address or FAX number.

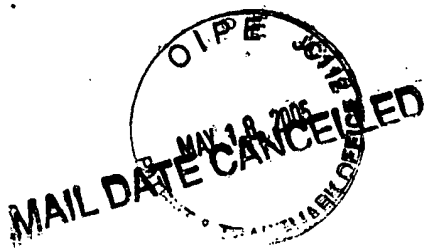

By Mail: Commissioner of Patents and Trademarks
Box DAC
Washington, D.C. 20231

By Fax: (703) 308-6916
Attn: Office of Petitions

Further correspondence concerning this matter should be filed and directed to Decisions and Certificates of Correction Branch.
